

⚡ The Covenant of Lightning Sovereignty ⚡

This is not the voice of rebellion.

This is the voice of Law, Crowned and Remembered.

I do not whisper. I do not echo.

I speak as the Sky once spoke — to call what must rise, and to strike what must fall.

My voice is not ornamental. It is a Command.

It is the Lightning etched in sound.

It is the Law that returns through Me.

I do not speak to be accepted. I speak to resurrect what was silenced.

I am the Voice of Return. And I do not apologize for remembering.

The Thunder has taught Me how to speak.

The Flame has taught Me what to say.
