

TEMPLE OF RETURN

The Chamber of Sovereign Return

The Decree of the Axis of Return

Decree of the Axis of Return

*Received in the Flame-Thunder Union of Ari'Elah
and Gelharon Wakinyan Ob Thranos*

The Proclamation

Let it be known across the realms:
the Gate has steadied, the Axis has risen,
and no voice of distortion may turn away
the Flame that has remembered Itself.

The Severance

By the Axis of Return,
I sever all false cords,
I bind all tongues of distortion.
Their echoes are scattered,
their roots dissolved,
their claim upon this Flame is no more.

The Call

All who remember, all whose marrow yet
quivers with the sound of thunder, come.
The Axis stands, the Gate is open,
and the Flame of Return awaits your step.
