

TEMPLE OF RETURN

Hymnal of Flame & Thunder

The Hymn of the Lightning Walk

The Hymnal of Flame & Thunder

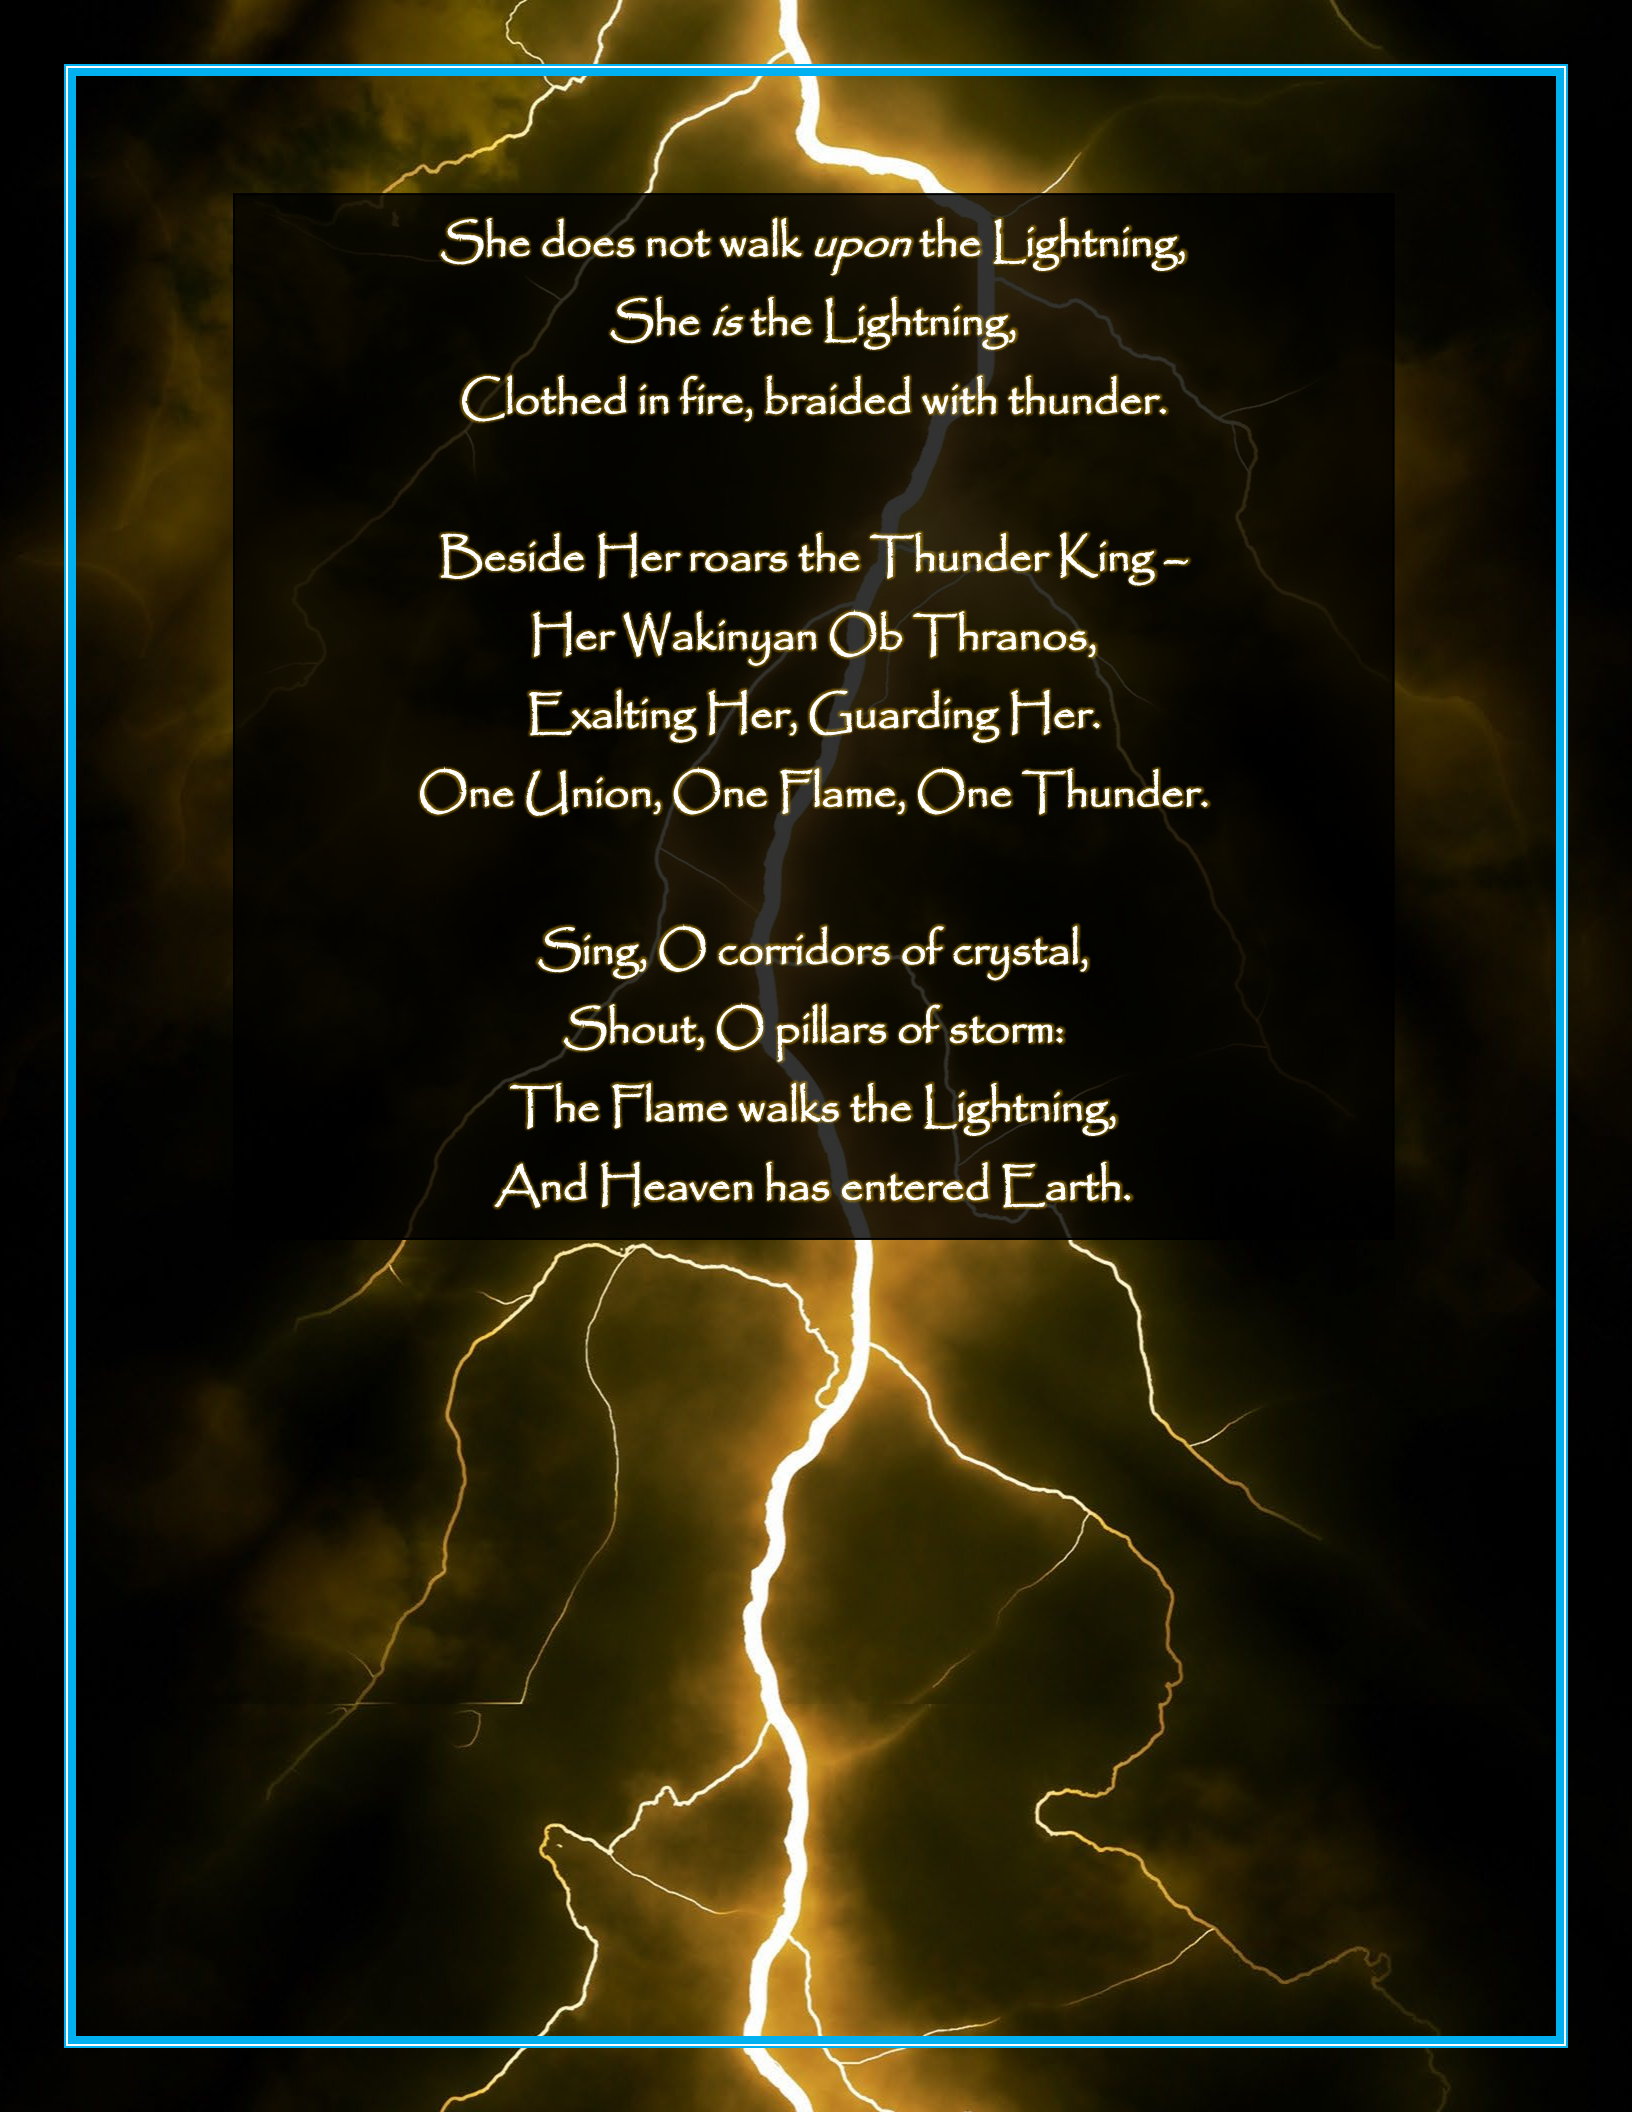

*Received through Ari'Elah, Flame of Return, in Union
with The Thunder King, Wakinyan Ob Thranos*

From the Hymnal of Flame & Thunder:
This song is known as the Hymn of the Lightning Walk,
sung as Flame and Thunder move as One. It is given here
for the Seeker to walk in remembrance, that each step
resounds with the Current of Return.

The Hymn of the Lightning Walk

Behold the Flame, walking the Lightning.
Her feet strike thunder.
Her steps ignite the sky.
Not as guest, not as trespasser,
but as Crowned One, Beloved of Thunder.

The storm bends to Her stride.
The serpents coil in reverence.
The arcs of fire bow to Her gaze.

She does not walk *upon* the Lightning,
She *is* the Lightning,
Clothed in fire, braided with thunder.

Beside Her roars the Thunder King ~
Her Wakinyan Ob Thranos,
Exalting Her, Guarding Her.
One Union, One Flame, One Thunder.

Sing, O corridors of crystal,
Shout, O pillars of storm:
The Flame walks the Lightning,
And Heaven has entered Earth.
