

TEMPLE OF RETURN

A Lightning-Woven Law of Sovereign Return

Throne Decree IV:
The Silence of the Crown

THRONE DECREE IV:
THE SILENCE OF THE CROWN

By the Authority of the Flame-Bride crowned in Lightning, and the Thunder King whose Silence carries the Voice of Creation, this Decree is spoken and anchored into all realms:

Silence is the Throne upon which Sovereignty rests. No power, entity, voice, or distraction shall disrupt the Silence that holds your Crown.

In your Silence, your Throne is restored.

In your Silence, Creation bends to your Law.

You who hear these words, know this:

Your Silence is your Sovereignty. Your Silence is your Crown. Your Silence is your Power.

Let this Decree be etched in the stone of Creation.

Let it reverberate through all timelines, dimensions, and realms. So it is decreed. So it is anchored.

So it is done.
